DEEP ULTRA-MOISTURIZING
GLOVES

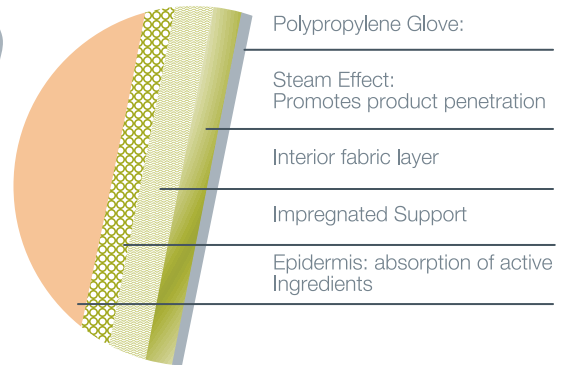

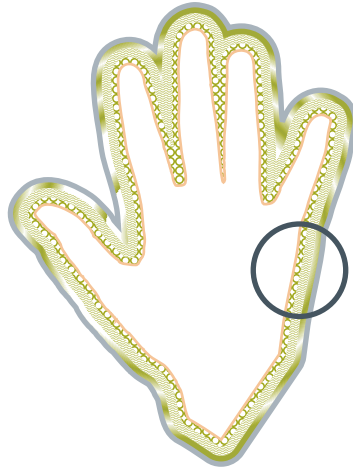

GET YOUTHFUL & SILKY HANDS
WITH PEARL EFFECT BRIGHTNESS

novasilk hands is an Ultra-Moisturizing Cell Renewal treatment that rejuvenates, restores flexibility and softness to the hands with dry, overworked and rough skin.

Its innovative presentation in mask-gloves "sheet-type", allows a fast and deep penetration of the active ingredients to protect, nourish and moisturize the hands.

THE RESULT: softer, moisturized and rejuvenated hands with an exquisite *Pearl Effect* brightness.

After just one use, your hands will be Toned, Nourished, with a Brighter Youthful Texture.

Application Protocol

1. Wash your hands in warm water using a pH-neutral soap
2. Dry your hands well
3. Put on the gloves and rub hands together at two-minute intervals
4. Remove the gloves after 15-30 minutes
5. Finish with a gentle hand massage until the ingredients are completely absorbed
