UNI^{Q10}UE[®]

Q10 CELL GRANULATE

...is effective from the inside in the subcutis

acts in the **DEEP SKIN LAYERS**,
That NO cream can reach!
From head to toe!

100%
natural

Is fastest **SUPPLIER OF ENERGY**

(UNI^{Q10}UE Granulatw gets already absorbed through
the oral mucosa and is immediately available to every cell)

Replenishes the cell with **CELL ENERGY**

Accelerates **CELL RENEWAL**

Improves the **SKIN ELASTICITY**

Is an extremely strong **ANTIOXIDANT**

Ingredients

chromatographed Q10 of highest purity
saccharose, CMC.

Dosage:

Put daily 1 measuring spoon of Q10 granulate directly into
your mouth and allow to dissolve .

UNIQUE[®]

DEEP CLEAN

ANTIOXIDATIVE CLEANING

adansonia digitata baobaboil
theobroma cacao
vitamines E + C

CELL ACTIVE

- A special Anti Aging Cleansing cream
- Protects against epidermal loss of moisture
- Evens out the skin and protects the barrier
- Regenerating and firming
- Is a strong antioxidants

Application: pump 2 units of DEEP CLEAN onto your palm, foam up with water and apply.
Rinse of with warm water.

100ml are sufficient for app.170 treatments

PEELING MIX

INDIVIDUALLY MIXABLE

sodium chloride – Himalayan salt
theobroma cacao

CELL ACTIVE

- Supplies the skin with valuable minerals
- Sloughs off encrusted and dead skin cells in a natural way
- The skin can breathe freely and is thoroughly cleaned and firmed
- Enhances the ability to absorb active ingredients
- Sanitizes and acts anti-inflammatory
- Diminishes pigmentation
- Supports cell renewal
- Evens the skin out

Application: spread DEEP CLEAN on your face and add PEELING MIX at own discretion. Massage gently over your skin until entirely dissolved.

Store in a dry place

35ml are sufficient for app.70 treatments

UNI^{Q₁₀}UE[®]

POWER AMPOULE

... is effective to the stratum reticulare

Super CELL ENERGIZER

With low molecular hyaluronic acid and

CELL ACTIVE

- Stimulates the skin renewal
- Brings dry and greasy skin areas in balance
- Hydratizes the deeper skin layers
- Activates the production of collagen
- Instant cell regimen for stressed skin

Application: Put straight onto cleaned skin and let absorb; especially with obvious moisture deficit.

Shake before use!

100ml reichen für ca. 150 ANWENDUNGEN

CELL FITNESS

... is effective to the stratum reticulare

FIRMING/ HYDRATISEND

Low molecular hyaluronic acid
Imperata Cylindrica
Panthenol
Syn Tacks Complex

CELL ACTIVE

- Mixable into any cream
- Steadies the cell's osmotic balance
- Provides instant freshness with long term effect
- Protects and renews the various collagen molecules and structural proteins
- Is responsible for visible improvement of skin elasticity and increased resilience
- Dewrinkles impressively

TIP: Mix with Cell Repair for a strong **ANTI-AGING- MASK**

Application: mix into your favourite skin care product or apply directly on skin.
Final treatment with oily skin and when oily creams are not tolerated (i.e. acne, rosacea)
Also feasible with tool based application

100ml are sufficient for app.150 treatments

STEMCELL Concentrate

... is effective to the stratum basale

VITALIZING - PROTECTING

High molecular hyaluronic acid
Opuntus Ficus-Indica Stem-cactus
Malus Domestica

CELLACTIVE

- Vitalizes and regenerates the skin`s own stemcells
- Protects against UV rays and oxidative stress
- Fend off harmful environmental attacks
- The skin`s micro relief becomes more even and smoother
- Prevents photoaging
- Reduces pigmentation
- Refines the pores

Application: Feasible für any skin type. Use thinly under your make-up
For mature skin add 2 units of CELL FITNESS for extensive moisture.

100ml are sufficient for app.150 treatments

UNI  UE[®]

EYE + LIP MASK

... is effective to the stratum spinosum

WRINKLE PUSH UP / CELL PROTECTION

High molecular hyaluronic acid
Imperata Cylindrica
Vitamines E+C

CELL ACTIVE

- Most advanced active antioxidants protect against free radicals and premature skin aging
- Protection from UV light and toxic pollution
- Long term wrinkle push up
- Eliminates puffiness, smoothens out crow's-feet and reduces dark circles.
- Perfect first aid for chapped and fissured lips

Application: Spread right onto the delicate skin around your eyes and lips.
Allow a few minutes to absorb; take off surplus .

100ml are sufficient for app.150 treatments

CELL REPAIR

... is effective to the stratum spinosum

REGENERATION / WRINKLE REDUCTION -36%

Aloe Vera
 Vitamines A+E+C
 Panthenol, luxurious oils
 Dermaxyl CL

CELL ACTIVE

- Protects against oxidative stress
- strengthens the epidermis
- Regenerates UV-damaged skin
- Dermaxyl Cl peptide complex cater for wrinkle reduction in volume -36% and depth -27%.
- Boosts the lipid barrier, firms the cell structure
- alleviates tautness, flaky aereas dwindle

TIP: Mix with Cell Fitness for a strong **ANTI-AGING- MASKE** 

Application: as final treatment for dry skin. Is very well suited for neurodermtatitis, teleangiektasies, couperose, inflammation

100ml are sufficient for app.150 treatments

UNIQUE[®]

CELL LIFT

TOOL BASED

... is effective to the stratum reticulare

INSTANT-LIFTING / MUSCLE RELAXANT

High moleculare hyaluronic acid
Parakresse
Theobroma Cacao
Aqua Fill Complex

CELL ACTIVE

- For tool based treatments with ultrasound, Iontophoresis and meso elektroporation
- Provides a long term freshness effect
- The skin gets upholstered and lifted from the deep skin layers
- Mimic muscle activities get persistently reduced
- Aqua Fill Complex reduces wrinkles by -36% and refines pores by -26% (see study)
- Stimulates the regeneration of collagen and elastin fibres
- Supports the ability to renew the skin cells

Application: for the **tool based application** with ultrasound, iontophoresis or meso-electroporation

100ml are sufficient for app.150 treatments

LIPO FILLER GEL

... activates into the subcutis

EFFECTIVE ANTI AGING

Low molecular hyaluronic acid and
high molecular hyaluronic acid
Lipo-fill-complex
Aqua Fill

CELL ACTIVE

- the most effective anti aging gel based on newest technology.
- constrains structural fat reduction which transforms fat into fatty acid
- activates the lipogenesis, the natural upholstering via fatty acid synthesis
- upholsters and lifts from the deeper skin layers
- Refines pores by -26%
- Improves the skin`s evenness

Application: Apply during each treatment after the POWER AMPOULE on face, neck and decollete

100ml are sufficient for app.170 treatments

CELL RELAX CREAM

... activates into the subcutis

CELL BOLSTERING with BOTOX substitute

High molecular hyaluronic acid
Lipo-fill-active-agent-complex
Parakresse / Vitamines A+E+D
Avocado oil

CELL ACTIVE

- high end technology activates subcutaneous skin layers
- Constrains the structural decomposition of the skin matrix
- Activates the lipogenesis(fatty acid synthesis)
- Blocks the lipogenesis (the transformation of fat into fatty acids)
- reduces the muscle action for a **relaxed and even skin appearance**
- Mimic induced wrinkles relax through lipo micropearls
- Enhances the natural skin barrier
- Improves the skin elasticity

Application: Use this 24 hrs. Skin care product as final layer on the wrinkled areas; especially for mature skin

100ml are sufficient for app.150 treatments

CELL – ENERGY - THERAPY

Begin treatment with "**DEEP CLEAN**"

Froth up well 1-2 units.

Peeling with "**PEELING MIX**"

Apply "**PEELING MIX**" (choose amount according to type and condition of skin) onto frothed up "**DEEP CLEAN**" and rub gently with rotating moves over face until the coarse Himalayan salt crystals have dissolved

If desired use a facial toner for secondary cleaning

Use vaporizer or warm pad before deep cleansing

Gently pat "**POWER AMPOULE**," into the skin

Apply a thin layer of "**LIPO FILLER**"

For a cycle with ultrasound, iontophoresis (positive) or meso electroporation use "**CELL LIFT**" and massage into the skin for 3-6 minutes

Generously apply "**EYE + LIP MASK**"

Choose your final treatment individually according to type and needs of skin. For example create a mix from

"CELL REPAIR + CELL FITNESS"

- takes care of dry skin with attention to tautness and tension
- Calms down irritations, reddening, inflammation and itchiness
- dewrinkles visibly

or "**STEM CELL CONCENTRATE + CELL FITNESS**"

- brings the oily skin back into balance
- revitalizes the skin and protects from harmful environmental factors
- Pigmentflecken werden gemildert.

or "**LIPO FILLER + CELL RELAX**"

- most effective ANTI-AGING- COMPLEX with immediate wrinkle filling
- relaxes the facial muscles and refines the pores
- activates the lipogenesis.

After the application leave every product for a few minutes to be absorbed; take off surplus with Kleenex

Use **UNI Q10 UE CELL COSMETICS** as Multi-Level-Skin-Care especially for mature skin and observe immediate skin improvement. **UNI Q10 UE CELL COSMETICS** may also be used for best results with rosacea, couperose, neurodermatitis and acne...
